LIVE ONLINE WORKSHOP

An Introduction to

Therapeutic Assessment

A collaborative approach to psychological assessment designed to promote insight and growth

Raja M. David, PsyD, ABPP, LP
Workshop Leader

Presented by Raja M. David, PsyD, ABPP, LP
Minnesota Center for Collaborative/Therapeutic Assessment

November 6 & 13, 2026	10:00 AM–3:00 PM Central Time	9 Hours	Virtual via Zoom

What You'll Learn

- Core values, interpersonal stance, and steps of the Adult Therapeutic Assessment (TA) model.
- How to develop client Assessment Questions (AQs) that guide the assessment process.
- How to implement the Extended Inquiry after standardized testing to explore a client's experience and test data.
- How Levels of Information help organize and discuss test findings in a way clients can use.
- The purpose and basic structure of an Assessment Intervention Session (AIS), Summary/Discussion Session, and personalized TA letter.
- Clinical application through vignettes, video examples, and test data.

Workshop at a Glance

DAY 1
Foundations + Early TA Process
- Introduction to TA
- Initial session
- Assessment Questions
- Testing sessions
- Extended Inquiry

DAY 2
Using Results Therapeutically
- Assessment Intervention Session
- Summary/Discussion Session
